All persons engaged in any of the work or services performed pursuant to the Agreement shall at all times, and in all places, be subject to the Consultant's sole direction, supervision and control. The Contractor shall exercise control over the means and manner in which it and its employees perform the work, and in all respects the Consultant's relationship and the relationship of its employees to the Village shall be that of an independent Contractor and not as employees and agents of the Village.

- C. The Contractor must, in the final instance, seek to resolve every difference concerning the Agreement with the Project Manager. In the event that the Contractor and the Project Manager are unable to resolve their difference, the Contractor may initiate a dispute in accordance with the procedures set forth in the section below. Exhaustion of these procedures shall be a condition precedent to any lawsuit permitted hereunder.
- a. In the event of such dispute, the parties to the Agreement authorize the Village Manager or designee, who may not be the Project Manager or anyone associated with this Project, acting personally, to decide all questions arising out of, under, or in connection with, or in any way related to or on account of the Agreement (including but not limited to claims in the nature of breach of contract, fraud or misrepresentation arising either before or subsequent to execution hereof) and the decision of each with respect to matters within the Village Manager's purview as set forth above shall be conclusive, final and binding on parties. Any such dispute shall be brought, if at all, before the Village Manager within 10 days of the occurrence, event or act out of which the dispute arises.

- b. The Village Manager may base this decision on such assistance as may be desirable, including advice of experts, but in any event shall base the decision on an independent and objective determination of whether Consultant's performance or any deliverable meets the requirements of the Agreement and any specifications with respect thereto set forth herein. The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the Village Manager participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the Agreement.
- c. All such disputes shall be submitted in writing by the Contractor to the Village Manager for a decision, together with all evidence and other pertinent information in regard to such questions, in order that a fair and impartial decision may be made. The parties agree that whenever the Village Manager is entitled to exercise discretion or judgment or to make a determination or form an opinion pursuant to the provisions of this Article, such action shall be deemed fair and impartial when exercised or taken.
- d. The Village Manager shall render a decision in writing and deliver a copy of the same to the Contractor. Except as such remedies may be limited or waived elsewhere in the Agreement, Contractor and the Village reserve the right to pursue any remedies available under law after exhausting the provisions of this Article.

1.49 MUTUAL OBLIGATIONS

The Agreement, including attachments and appendices to the Agreement, shall constitute the entire Agreement between the parties with respect hereto and supersedes all previous communications and representations or agreements, whether written or oral, with respect to the subject matter hereto unless acknowledged in writing by the duly authorized representatives of both parties.

Nothing in the Agreement shall be construed for the benefit, intended or otherwise, of any third party that is not a parent or subsidiary of a party or otherwise related (by virtue of ownership control or statutory control) to a party.

In those situations, where the Agreement imposes an indemnity or defense obligation on the Contractor, the Village may, at its expense, elect to participate in the defense if the Village should so choose. Furthermore, the Village may at its own expense defend or settle any

such claims if the Contractor fails to diligently defend such claims, and thereafter seek indemnity for costs and attorney's fees from the Contractor.

1.50 QUALITY ASSURANCE/QUALITY ASSURANCE RECORD KEEPING

The Contractor shall maintain, and shall require that its subcontractor and suppliers maintain, complete and accurate records to substantiate compliance with the requirements set forth in the Scope of Services. The Contractor accepts all risks associated with using this information.

1.53 SEVERABILITY

If the Agreement contains any provision found to be unlawful, the same shall be deemed to be of no effect and shall be deemed stricken from the Agreement without affecting the binding force of the Agreement as it shall remain after omitting such provision.

1.54 TERMINATION FOR CONVENIENCE AND SUSPENSION OF WORK

- A. The Village may terminate the Agreement if an individual or corporation or other entity attempts to meet its contractual obligation with the Village through fraud, misrepresentation, or material misstatement.
- B. The Village may, as a further sanction, terminate or cancel any other contract(s) that such individual or corporation or other entity has with the Village. Such individual, corporation or other entity shall be responsible for all direct and indirect costs associated with such termination or cancellation, including attorney's fees.
- C. Contractor acknowledges and agrees that ten dollars (\$10.00) of the compensation to be paid by the Village, the receipt and adequacy of which is hereby acknowledged by Contractor is given specific consideration to Contractor for Village's right to terminate this Agreement for convenience.
- D. The Village, through its Village Manager, and for its convenience and without cause, terminate the Contract at any time during the term by giving written notice to Contractor of such termination, which shall become effective within fifteen (15) days following receipt by the Contractor of such notice. If the Contract is terminated for convenience by the Village, the Contractor shall be paid for any services satisfactorily performed up to the date of termination; following which the Village shall be discharged from any and all liabilities, duties, and terms arising out, or by virtue of, this Contract.
- E. The foregoing notwithstanding, any individual, corporation or other entity which attempts to meet its contractual obligations with the Village through fraud, misrepresentation or material misstatement may be debarred from Village contracting in accordance with the Village debarment procedures. The Contractor may be subject to debarment for failure to perform.

In addition to cancellation or termination as otherwise provided in the Agreement, the Village may at any time, in its sole discretion, with or without cause, terminate the Agreement by written notice to the Contractor and in such event:

- F. The Contractor shall, upon receipt of such notice, unless otherwise directed by the Village:
 - 1. Stop work on the date specified in the notice ("the Effective Termination Date").
 - 2. Take such action as may be necessary for the

protection and preservation of the Village's materials and property.

3. Cancel orders.
4. Assign to the Village and deliver to any location designated by the Village any non-cancelable orders for deliverables that are not capable of use except in the performance of the Agreement and which have been specifically developed for the sole purpose of the Agreement and not incorporated in the Services.
5. Take no action which will increase the amounts payable by the Village under the Agreement.

G. In the event that the Village exercises its right to terminate the Agreement pursuant to this Article the Contractor will be compensated as stated in the payment Articles, herein, for the:

6. The Contractor has failed to provide "adequate assurances" as required under subsection "B" below; and

7. The Contractor has failed in the representation of any warranties stated herein.

B. When, in the opinion of the Village, reasonable grounds for uncertainty exist with respect to the Consultant's ability to perform the Services or any portion thereof, the Village may request that the Contractor, within the time frame set forth in the Village's request, provide adequate assurances to the Village, in writing, of the Consultant's ability to perform in accordance with terms of the Agreement. Until the Village receives such assurances the Village may request an adjustment to the compensation received by the Contractor for portions of the Services which the Contractor has not performed. In the event that the Contractor fails to provide to the Village the requested assurances within the prescribed time frame, the Village may:

1. Treat such failure as a repudiation of the Agreement.

2. Resort to any remedy for breach provided herein or at law, including but not limited to, taking over the performance of the Services or any part thereof either by itself or through others.

C. In the event the Village shall terminate the Agreement for default, the Village or its designated representatives may immediately take possession of all applicable equipment, materials, products, documentation, reports and data.

The Proposer shall not, without the prior written consent of the Village, use such documentation on any other project in which the Proposer or its employees, agents, subcontractors, or suppliers are or may become engaged. Submission or distribution by the Proposer to meet official regulatory requirements or for other purposes in connection with the performance of Services under this Agreement shall not be construed as publication in derogation of the Village's copyrights or other proprietary rights.
- B. All rights, title, and interest in and to certain inventions, ideas, designs and methods, specifications and other documentation related thereto developed by the Proposer and its subcontractors specifically for the Village, hereinafter referred to as "Developed Works" shall become the property of the Village.

1.59 FORCE MAJEURE

The Agreement which is awarded to the successful Proposer may provide that the performance of any act by the Village or Proposer hereunder may be delayed or suspended at any time while, but only so long as, either party is hindered in or prevented from performance by acts of God, the elements, war, rebellion, strikes, lockouts or any cause beyond the reasonable control of such party, provided however, the Village shall have the right to provide substitute service from third parties or Village forces and in such event the Village shall withhold payment due Proposer for such period of time. 1.60 NONDISCRIMINATION

During the performance of this Contract, Proposer agrees to not discriminate against any employee or applicant for employment because of race, religion, color, sex, handicap, marital status, age, or national origin, and will take affirmative action to ensure that they are afforded equal employment opportunities without discrimination. Such action shall be taken with reference to, but not be limited to, recruitment, employment, termination, rates of pay or other forms of compensation, and selection for training or retraining, including apprenticeship and on-the job training. By entering into this Contract with the Village, the Proposer attests that it is not in violation of the Americans with Disabilities Act of 1990 (and related Acts). If the Proposer or any owner, subsidiary or other firm affiliated with or related to the Proposer is found by the responsible enforcement agency or the Village to be in violation of the Act, such violation shall render this Contract void. This Contract shall be void if the Proposer submits a false affidavit or the Contractor violates the Act during the term of this Contract, even if the Proposer was not in violation at the time it submitted its affidavit.

- D. The provisions of this Article are supplemental to, not in lieu of, all applicable laws with respect to conflict of interest. In the event there is a difference between the standards applicable under the Agreement and those provided by statute, the stricter standard shall apply.
- E. In the event Proposer has no prior knowledge of a conflict of interest as set forth above and acquires information which may indicate that there may be an actual or apparent violation of any of the above,

Proposer shall promptly bring such information to the attention of the Village's Attorney. Proposer shall thereafter cooperate with the Village Attorney's review and investigation of such information and comply with the instructions Proposer receives from the Contract Manager in regard to remedying the situation.

1.64 GOVERNING LAW/VENUE

This Contract, including appendices, and all matters relating to this Contract (whether in contract, statute, tort (such as negligence), or otherwise) shall be governed by, and construed in accordance with, the laws of the State of Florida. Venue shall be in Miami-

Dade County.

1.65 SURVIVAL

The parties acknowledge that any of the obligations in the Agreement will survive the term, termination, and cancellation hereof. Accordingly, the respective obligations of the Proposer and the Village under the Agreement, which by nature would continue beyond the termination, cancellation, or expiration thereof, shall survive termination, cancellation, or expiration hereof.

1.66 VERBAL INSTRUCTIONS PROCEDURE

No negotiations, decisions, or actions shall be initiated or executed by the Proposer as a result of any discussions with any Village employee. Only those communications which are in writing from an authorized Village representative may be considered.
