

PUBLIC NOTICE – RECOMMENDATION OF REJECTION OF PROPOSALS

Date: August 27, 2026

Solicitation No.: RFQ 2025-01-02

Title: **ARCHITECTURAL DESIGN SERVICES FOR THE MIAMI SHORES COUNTRY CLUB GOLF COURSE REDESIGN AND RENOVATION**

Notice is hereby given that Miami Shores Village Manager has determined that it is in the best interests of the Village to recommend the rejection of all Statements of Qualifications submitted in response to the above-referenced solicitation.

Reason for Rejection of Submittals:

The Village has implemented a significant change in the operating model of the Miami Shores Country Club. Effective May 1, 2026, the Village transitioned the Country Club from a lease arrangement to a management agreement.

Given this change, the Village has determined that it is prudent to reassess the architectural design solicitation and the scope of services so that the project reflects the Village's current operational needs and allows the Village's management team, including the Country Club management professionals, to provide appropriate input based upon their expertise and experience.

Pursuant to Section 1.7, Rejection of Proposal, of the RFQ, Miami Shores Village expressly reserves the right to reject any or all proposals prior to award. In addition, Section 5.5.1, Contract Award, reserves to the Village, based upon its deliberations and in its opinion, the right to accept or reject any or all submittals.

Miami Shores Village Manager has recommended rejecting all submittals received under RFQ 2025-01-02. The Village anticipates revising and reissuing the solicitation and reserves the right to advertise a new solicitation for these services as it determines to be in the best interests of the Village.
