Teen & Tween Fitness Classes

With more access than ever to digital distraction, social media, social pressure in school, and self-image issues, regular exercise has never been more important. This program is age specific. It focuses on teaching correct and safe movement patterns, especially focused on the Primal Movement Patterns (Squat, Bend, Lunge, Push, Pull, Twist, and Gait) in a Small Group, fun, pressure free environment. We pay attention to not only to the kid's physical development, but to their mental and emotional development as well. Kids will learn the basics of eating whole foods, as well as will have the opportunity to interact with one another in a supportive environment.

Eagle Swim Team

Directed by: Adam Madarassy,
Olympian

Our team is a year round competitive swim team offering high quality professional coaching and technique instruction for all ages and abilities.

Our goal is to create a safe, friendly and fun environment that nurtures the competitive spirit of club/team swimming, such that all swimmers can achieve their highest personal and athletic potentials.

In addition to great physical benefits of swimming we teach proper technique, racing strategy, personal discipline, mental toughness and team spirit. We provide a positive environment that encourages positive role modeling, self-motivation, personal accountability and pride in winning and losing.

The number of practice days is determined by the coach's recommendations. All youth interested in competitive swimming are invited to try-out.
